The objective of forming our association is to interact with the management and represent the welfare and grievances of direct recruit graduate engineers and account officers of BSNL. We request you to co-operate and provide service association facilities to the **AIGETOA Bidar SSA** to represent their views, opinions and resolve the local issues faced by AIGETOA members by mutual discussion. This will resolve many issues as well as help in building sense of belongingness and a fertile environment in Bidar and will improve the organizational commitment among the direct recruit executives and will also definitely boost their motivation and morale to work even harder for the benefit of BSNL.
