Dear Shri.....

It is observed that our recharge coupons are not easily available in the market. Many of our Officials have also pointed out the same thing. Sometimes they themselves feel the difficulty in recharging their own mobiles and also for their relatives and friends. To overcome this problem a scheme is to be launched.

On voluntary basis the Officials can take C-Topup SIMs in place of their service connections. They can get the C-Topup charging through official channel upto Rs. 2000/- on credit, this amount will be deducted from salary payable to official for the month. They may recharge their own mobiles as well as to who ever comes to them for recharging. In this no commission will be available to the staff. At the end of the year their services will be recognized and suitable award will be given considering volume of work done by them during the year.

You will have to make arrangement for crediting the amount and recovery of the same from the salary. Statement in this regard be submitted to GM(EB) by 5th of every month.

You may please publicize this scheme amongst staff and make necessary arrangements for providing C-Topup SIMs to the Officials volunteering for this scheme.

With best wishes,

Yours sincerely,

(R.K. MISRA)
